Reviewer Comments Sandra Williams (sandra-williams) [02/01/18 3:40 pm]: Rollback: The UG course level justification shows Prerequisites, however, you are removing the course prerequisites and listing only restrictions. Also, if you are
no longer using course prerequisites, will they no longer be enforced (table shows they are still enforced)?

Sandra Williams (sandra-williams) (03/05/18 8:35 am): UCC approved March 2018.
