Catalog Program Title
Museum Studies - Minor

Rationale for Proposal
Course changes made by recommendation of Museum Studies Executive Board. Specifically, the MAST additions will allow TAMUG students pursuing the minor to take courses approved for inclusion without needing them to all be added through adjustments. Removal of the ARCH 246 is due to a change in that course which resulted in the number being lowered to 200-level, it is no longer usable by students moving forward. Students will now have to take the cross-listed MAST 220/MUST 221 as a prerequisite for ANTH 421. This course better prepares students for ANTH 421 and can be taken earlier in a student's career to give them a better understanding of the field and the program and to enable them to tailor their curriculum.

Program hours: 18
Is this program eligible for financial aid? Yes
Will program hours change (increase/decrease) due to the proposed curriculum changes? No

Reviewer Comments:
- Angel Mario Carrizales (carril1214) (10/13/17 11:37 am): Rollback: If students are expected to take ANTH/MAST/MUST 221 before applying to the minor, then this course is a program requirement. Please update the degree evaluation and catalog program requirement accordingly.
- Angel Mario Carrizales (carril1214) (10/16/17 5:08 pm): Update received. Wording change form "Students are expected to enroll in ANTH/MAST/MUST 221 before applying to the minor." to "MAST 220 /MUST 221 is a prerequisite for enrollment in the Museum Studies minor."
- Angel Mario Carrizales (carril1214) (10/16/17 5:09 pm): Moving forward for discussion. Can a program have prerequisite courses that are not used towards the overall program requirements?
- Steve Oberhelman (s-oberhelman) (11/20/17 3:04 pm): Rollback: Rollback to add MUST 221 to minor
- Angel Mario Carrizales (carril1214) (11/22/17 10:12 am): Moving forward, however an updated degree evaluation is required to reflect the addition of MAST 220/MUST 221. The degree evaluation should be upload before submission for UCC consideration.
- Angel Mario Carrizales (carril1214) (02/28/18 5:13 pm): Concern from 11/22/2017 has been addressed.
- Sandra Williams (sandra-williams) (03/05/18 8:37 am): UCC approved March 2018.
