Catalog Program Title  
Accounting- 5-Year Bachelor of Business Administration/Master of Science

## Rationale for Proposal

Addition of the BBA/MS program in CARS.

Undergraduate program code identifying this program is **BBA-ACCT-YR5**, **BBA-ACCT-YR5**

**The Master of Science in Entrepreneurial Leadership (MS-ENLD) was created specifically for the Professional Program in accounting students at Mays Business School. This program has already been approved, however, it was not originally linked to the undergraduate BBA-ACCT-YR5 degree. In order for PPA students to be enrolled in the correct graduate program and receive the correct MS degree, we need the MS-ENLD degree to link to the BBA-ACCT-YR5 degree program. This will be a five year dual degree program like all other PPA degrees.**

**The BBA-ACCT-YR5 students in this program used to graduate with a MS-MGMT degree, however, this degree now goes to our students in our newly created MS Business degree program. Therefore, the MGMT department had to create a new MS program specifically for PPA students since they could no longer use the MS-MGMT degree code. This is when the MS-ENLD degree was created. The MS-ENLD programs has already been approved, but it needs to be linked to the BBA-ACCT-YR5 program so that students can be admitted to graduate school and graduate with this new degree.**
