Dr. Ray M. Bowen
President
Texas A&M University

Dear Ray:

On behalf of the Faculty Senate, I would like to thank you for making time in your very busy schedule to meet with the Senate. Your willingness to address the body, and to answer questions play an important role in keeping lines of communication open between faculty and administration. This spirit of cooperation is becoming even more critical as we enter a future of finite resources.

We very much appreciate your continued interest and strong support, and look forward to working with you throughout the new academic year.

Sincerely yours,

Pierce E. Cantrell
Speaker, 1995-96
