THE FACULTY SENATE  
August 21, 1995

Dr. Ray M. Bowen  
President  
Texas A&M University

Dear President Bowen:

An addition was made to the Faculty Senate Bylaws on August 14, 1995 concerning committees reporting to the Senate (Chapter II., section K., Reporting Committees). Normally, changes to the Senate Bylaws are not sent to the President; however, I felt that this committee was important and that your office should be made aware of its formation. Listed below is the committee's structure and membership:

\( g \). Bookstore Advisory Committee

\( 1 \) Membership shall consist of the bookstore manager or designated representative, a bookstore contract administrator for the University, a Student Senate representative, a Graduate Student Council representative, a Library representative, and a total of three faculty members from the Faculty Senate and/or faculty at-large appointed by the Faculty Senate Committee on Committees.

\( 2 \) It shall be the function of the committee to advise the management of the bookstore in selection of academic and trade materials appropriate for a bookstore serving a comprehensive research university. Furthermore, the committee will aid the management in solving problems and dealing with customer complaints, and the committee will also attempt to ensure that there will be sufficient books or academic packages available early enough in the semester that students will have ready access to these materials.

Sincerely,
