RECOMMENDATION ON GRADE CHANGES TO NG

This recommendation is to modify the part of academic rules describing the No grade (NG) mark. This revision makes it clear which dean may grant a NG, and requires the dean to consult with the instructor(s) of the course.

(Additions are bolded; deletions have a strikethrough)

DESCRIPTION OF NG IN SECTION 10.3 of Texas A&M University Student Rules 1999-2000:

NG: No grade. Administrative removal of posted grades, requires dean's permission approval with extensive documentation by the dean of the college in which the student was enrolled during the semester in which the courses were taken. A NG requires extensive documentation of the extraordinary circumstances justifying the No Grade. The instructor of record, or the instructor's department head if the instructor is unavailable, will be consulted during the process. The registrar will if possible notify the instructor of record, or and in any event will notify the instructor's department head, whenever a NG is issued.
