The Graduate Council unanimously approved the proposed graduate catalog change regarding admissions as stated below:

Proposed graduate catalog change (in italics) to be added to page 111 under admissions as a footnote. It would read:

*An exception may be made under the extraordinary circumstances when mastery of an equivalent education has been demonstrated to a subcommittee of the Graduate Council.

The Graduate Council approved a proposal to change Student Rules (12.4.2, p. 12 of 1999-2000), which states:

“Scholastically deficient post-baccalaureate non-degree students (G6 classification) will be suspended from the university by the Office of Graduate Studies.”

to:

“For scholastically deficient post-baccalaureate non-degree students (G6 classification), the student’s home department shall determine eligibility, and it is the department’s responsibility to notify the Office of Graduate Studies if a registration block placed on these students.”
