memorandum

28 October 2003

To: Executive Committee
   Faculty Senate

From: Richard K. Curry, Presiding Officer
       Core Curriculum Council

Re: Requests of Course Additions to the Core Curriculum

A. The Core Curriculum Council recommends that the following course, submitted by the Department of Biology, be added to the list of courses in the Core Curriculum which satisfy the requirement for Tier 1 Natural Sciences.

   **BIOL 111 Introductory Biology I**

   The CCC unanimously agreed that an exposure to scientific methodology and analysis as well as scientific information itself were central to the course’s content and character and appropriate to the spirit of the Core Curriculum and, thus, justified the course being included in the category.

B. The Core Curriculum Council recommends that the following course, submitted by the Department of Biology be added to the list of courses in the Core Curriculum which satisfy the requirement for Natural Sciences.

   **BIOL 112 Introductory Biology II**

   The CCC unanimously agreed that an exposure to scientific methodology and analysis as well as scientific information itself were central to the course’s content and character and appropriate to the spirit of the Core Curriculum and, thus, justified the course being included in the category.
