Core Curriculum Council

memorandum

21 February 2005

To: Executive Committee
Faculty Senate

From: Richard K. Curry, Presiding Officer
Core Curriculum Council

Re: Requests of Course Additions to the Core Curriculum, etc,

A. The Council Curriculum voted to approve the following courses for inclusion on the list of courses in the Core Curriculum which satisfy the writing requirement. The CCC agreed with subcommittee recommendations that all aspects of the courses were consistent with guidelines for this Core Curriculum (graduation) requirement and, thus, justified the courses being included in the “W-designated course” category.

- SEFB 320 Education and Employment Issue in Secondary Special Education
- EHRD 371 Applied Learning Principles
- ATMO 463 Air Pollution Meteorology
- KINE 423 Marketing Aspects of Sport

B. The Council approved a request for a course, submitted by the Department of Hispanic Studies, to be included on the list courses satisfying Core Curriculum requirements in the area of Visual and Performing Arts. The CCC agreed that course content and character include not only an exposure to, but an analysis of, visual arts appropriate to this area of the Core Curriculum and, thus, justified the courses being included in the Visual and Performing Arts category. The approved courses are:

- SPAN 413 Hispanic Culture through Art
