Core Curriculum Council

memorandum

26 April 2004

To: Executive Committee
    Faculty Senate

From: Richard K. Curry, Presiding Officer
      Core Curriculum Council

Re: Requests of Course Additions to the Core Curriculum, etc,

The Council Curriculum unanimously voted to approve the following courses for inclusion on the list of courses in the Core Curriculum which satisfy the writing requirement. The CCC unanimously agreed with subcommittee recommendations that all aspects of the courses were consistent with guidelines for this Core Curriculum (graduation) requirement and, thus, justified the courses being included in the “W-designated course” category.

   CHEM 383  Chemistry of the Environment
   PETE 310  Petroleum Reservoir Fluids
   HORT 315  Component Analysis of Horticultural Systems
   INFO 465  Information Technology for Supply Chain Management
   INFO 439  Management of Information Systems
   FRSC 406  Forest Policy
