Re: Reducing Hours from 128 to 120 for the B.A. degrees in Classics, French, German, and Russian

The B.A. requirements in French, German, and Russian as currently (Catalog 130, 2007-08) stated include 33 hours in the Major Field and 28 hours of General Electives as part of a total requirement of 128 hours. In order to comply with the state legislative mandate that all majors require no more than 120 hours, we wish to reduce the General Electives requirement for French, German, and Russian to 20 hours.

The B.A. in Classics currently requires 32 hours in the Major Field and 29 hours of General Electives as part of a total requirement of 128 hours. In order to comply with the state legislative mandate that all majors require no more than 120 hours, we wish to reduce the Major Field requirement for Classics to 31 hours, and the General Electives requirement to 22 hours. The attached copy of the degree requirements under Catalog 130 shows the proposed change in major hours.
