5. Brief description of change: Our science course, ANTH 225, is being split into a separate lecture and lab.

   Additional changes (Communication, Foreign Language, Social Science) are made at the recommendation of the College of Liberal Arts.

6. Rationale for change: This change will allow us to have a direct equivalent for the ANTH 2301 which many community colleges offer. Additionally the lecture will be a 3-hour option now, rather than 4-hour, which we hope will make it more attractive of an option for students looking to fill their 9 hours of science. This will also allow students who already have 8 hours of science to have the option of taking a 1-hour lab to fill their final requirement. The additional changes are being made in order to standardize the curriculum for the College.

7. Use the checkboxes below to make sure that all information is included.
   - ☐ Proposed curriculum attached.
   - ☒ Current catalog curriculum with handwritten edits attached.
   - ☒ Current Howdy degree evaluation with handwritten edits attached.

   Please make sure the attached proposed curriculum, catalog and Howdy degree evaluation match.

   - ☐ Yes
   - ☒ No

9. If proposed changes affect other unit(s), are letters of support attached?

IMPORTANT NOTE: Curriculum changes submitted through the approval process and fully approved by February (December-UCC, January-Faculty Senate, February-President) will be effective in the next academic year. Changes requiring approval beyond the University should complete the internal approval process early in the fall semester whenever possible in order to ensure timely implementation.
