5. Brief description of change:
   Moving or expanding Rules related to College requirements within the current degree evaluation.

6. Rationale for change:
   Currently, a significant amount of course adjustment requests are being submitted to move literature courses, which pick up in the KLPC rule (B/C), to the literature rule (D). Due to the communication area being prioritized higher in the degree evaluation, the literature courses will be picked up in this area first. Therefore, moving the literature requirement to the Communication area, rule C, will alleviate most of the KLPC/literature adjustment requests. The state core curriculum requirement for Social and Behavioral Science is 3 hours, but the CLLA degrees require 6 hours. By breaking the current rule A, which is 6 hours, into rule A (3 hours) and rule B (3 hours), it will make the degree evaluation more precise and easily identifiable between the state requirement and the college requirement.

9. If proposed changes affect other unit(s), are letters of support attached? [ ] Yes [ ] No

IMPORTANT NOTE: Curriculum changes submitted through the approval process and fully approved by February (December-UCC/SC, January-Faculty Senate, February-President) will be effective in the next academic year. Changes requiring approval beyond the University should complete the internal approval process early in the fall semester whenever possible in order to ensure timely implementation.
