New Program Request Form for Certificate Programs

Directions: An institution shall use this form to propose a new bachelor’s or master’s degree program. In completing the form, the institution should refer to the document Standards for Bachelor’s and Master’s Programs, which prescribes specific requirements for new degree programs. Note: This form requires signatures of (1) the Chief Executive Officer certifying adequacy of funding for the new program; (2) a member of the Board of Regents (or designee), certifying Board approval; and (3) if applicable, a member of the Board of Regents or (designee), certifying that criteria have been met for staff-level approval. NOTE: Preliminary authority is required for all engineering programs. An institution that does not have preliminary authority for a proposed engineering program shall submit a separate request for preliminary authority prior to submitting the degree program request form. That request shall address criteria set in Coordinating Board rules Section 5.24 (a).

Administrative Information

1. Institution:

TOTAL SCH 12

An **internship** in analytics or the consulting industry is required.

The internship must be for a minimum of 300 hours over 15 weeks or fewer. **Academic credit is not required for the internship.** However, no more than 20% of work can be clerical or unrelated to the development of professional skills in marketing. The internship must offer meaningful, professional-level learning in the areas of analytics, data managements, digital marketing, or consulting. The internship and hired student must comply with all company regulations, health & safety conditions, and legal requirements.

**Internship Objectives:**
- Apply academic knowledge in a supervised work environment
- Build contacts
- Develop professional competencies
- Increase understanding of career paths in marketing

*Revised 01.14.2014*
Participation in the associated student organization, American Marketing Association, is required.

Students must complete 12 hours of coursework, nine hours of required courses and three hours of prescribed elective courses, and earn a grade of ‘B’ or better in each certificate course as well as an overall GPA of 3.0 by graduation.

C. Faculty – Use these tables to provide information about Core and Support faculty. Add an asterisk (*) before the name of the individual who will have direct administrative responsibilities for the program. (Add and delete rows as needed.)

Fall 2014 faculty currently include:
16 Tenured/Tenure-track Faculty
- 10 Professors
- 3 Associate Professors
- 3 Assistant Professors
- 1 Clinical Professor
- 2 Clinical Associate Professors
- 1 Professor of Practice
- 2 Lecturers

Note: 15 members of the total faculty have Ph.D. degrees

D. **Students** – Describe general recruitment efforts and admission requirements. How will students be accepted into the program? In accordance with the institution’s Uniform Recruitment and Retention Strategy, describe plans to recruit, retain, and graduate students from underrepresented groups for the program.

Students are recruited from Mays Business School’s basic marketing class, research class, and through the American Marketing Association student organization. Strategies to retain students include their interaction with corporate executives, faculty, and career fairs.

E. **Library** – Provide the library director’s assessment of library resources necessary for the program. Describe plans to build the library holdings to support the program.

The Texas A&M University Libraries, and its West Campus Library business facility, is well positioned to support a certification in Analytics and Consulting. The Libraries hold over 2,500 titles in the library catalog relating to these areas. The Libraries have holdings of over 150 electronic and print periodicals that address various forms and aspects of marketing. Additionally, the West Campus Library provides access to 10 key marketing and advertising databases in the R.C. Barclay Reference and Retailing Resources Center, including the Simmons/Choices3 and Business Source Complete databases.

F. **Facilities and Equipment** – Describe the availability and adequacy of facilities and equipment to support the program. Describe plans for facility and equipment improvements/additions.

Existing Wehner classrooms and administrative offices will be used to support this program.

G. **Accreditation** – If the discipline has a national accrediting body, describe plans to obtain accreditation or provide a rationale for not pursuing accreditation.

Not Applicable for this Certificate

H. **Evaluation** – Describe the evaluation process that will be used to assess the quality and effectiveness of the new degree program.

*Revised 01.14.2014*
Classroom, competitions, interaction with faculty and corporate executives, plus feedback from internships will clearly show the student’s performance.

I. Administration of Program – Describe how the program will be administered. Where will the program be administered (i.e., department, college)?

The program will be administered by the Department of Marketing.

III. Costs and Funding

Five-Year Costs and Funding Sources - Use this table to show five-year costs and sources of funding for the program.

No additional costs will be incurred for this certificate.

1. Report costs for new faculty hires, graduate assistants, and technical support personnel. For new faculty, prorate individual salaries as a percentage of the time assigned to the program. If existing faculty will contribute to program, include costs necessary to maintain existing programs (e.g., cost of adjuncts to cover courses previously taught by faculty who would teach in new program).
2. Specify other costs here (e.g., administrative costs, travel).
3. Indicate formula funding for students new to the institution because of the program; formula funding should be included only for years three through five of the program and should reflect enrollment projections for years three through five.
4. Report other sources of funding here. In-hand grants, “likely” future grants, and designated tuition and fees can be included.

Signature Page

1. Adequacy of Funding – The chief executive officer shall sign the following statement:

I certify that the institution has adequate funds to cover the costs of the new program. Furthermore, the new program will not reduce the effectiveness or quality of existing programs at the institution.

3. **Board of Regents Certification of Criteria for Commissioner of Assistant Commissioner Approval** – For a program to be approved by the Commissioner or the Assistant Commissioner for Academic Affairs and Research, the Board of Regents or designee must certify that the new program meets the eight criteria under TAC Section 5.50 (b): The criteria stipulate that the program shall:

1. be within the institution’s current Table of Programs;
2. have a curriculum, faculty, resources, support services, and other components of a degree program that are comparable to those of high quality programs in the same or similar disciplines at other institutions;
3. have sufficient clinical or in-service sites, if applicable, to support the program;
4. be consistent with the standards of the Commission of Colleges of the Southern Association of Colleges and Schools and, if applicable, with the standards or discipline-specific accrediting agencies and licensing agencies;
5. attract students on a long-term basis and produce graduates who would have opportunities for employment; or the program is appropriate for the development of a well-rounded array of basic baccalaureate degree programs at the institution;
6. not unnecessarily duplicate existing programs at other institutions;
7. not be dependent on future Special Item funding
8. have new five-year costs that would not exceed $2 million.

*On behalf of the Board of Regents, I certify that the new program meets the criteria specified under TAC Section 5.50 (b).*
