5. Brief description of change:  
   Change is an edit to degree evaluation in Howdy. Specific course numbers will be removed from the minor, number of rules will change from three to two.

6. Rationale for change:  
   The way the minor is currently set in Howdy classes created within the past few 6 years do not appear for as options for minor students. This necessitates adjustments any time the student takes a newer course or it causes the student to drop the newer course in favor of something listed on the minor. Changing the minor to reflect ranges instead of specific numbers will more accurately reflect the intent of the minor, prevent confusion of minor students, and reduce workload for those involved in the adjustment process.

7. Use the checkboxes below to make sure that all information is included.
   - b. Current catalog curriculum with handwritten edits attached.  
     Please make sure the attached proposed curriculum, catalog and Howdy degree evaluation match.

   - b. If yes, degree program hours will change from:  
   - to:  
   - c. If yes, is the Texas Higher Education Coordinating Board form attached?  
     http://www.hecb.state.tx.us/index.cfm?objectid=A0F9F7FA-9A92-F111-2736AD3BBFF01D60
