Supporting Statement for MASE 319: Naval Architecture Design I

We are requesting a change in the prerequisite from requiring the student's successful completion of CVEN 311 and CVEN 345 to co-enrollment. This change is required since MASE 319 is scheduled to be taken in the same semester as CVEN 311 and CVEN 345.

In addition, the CIP code is being corrected from 1424010006 (Ocean Engineering) to 1422010006 (Naval Architecture). The corrected code is a better description of the content.
