Total Semester Credit Hours		120

1 Before registering as a junior, each student must develop a degree program in consultation with the departmental advisor.

2 All electives must be selected from degree plan options.

3 ALED courses may not be used for these electives.

Students are required to make a C or better for each of their courses in the major coursework area.

At least 36 credits must be 300- and 400-level courses.

Graduation requirements include a requirement for six hours of international and cultural diversity courses. A course satisfying a Core category, a college/department requirement or a free elective can be used to satisfy this requirement.

Additional information **Minor changes to reflect current degree plan. Removal of ANSC 108 and POSC 302 under "Animal Science elective" and addition of approved courses under "Natural Resource management directed elective" and "Plant science directed elective."**

Reviewer Comments **Angel Mario Carrizales (carri1214) (02/17/17 9:32 am):** Rollback: Changes to existing undergraduate programs require an edited degree evaluation that matches catalog to be attached. Total hours in catalog program requirements exceed 120. Please correct and resubmit.
Sandra Williams (sandra-williams) (02/28/17 3:36 pm): Update received.
Bob Knight (bob-knight) (03/02/17 3:39 pm): Rollback: ESSM 302 and ESSM 304 would fit better in Plant elective and ESSM 301 would be best in natural resources management. ESSM 302 and 301 are consistently full so it will be hard to get in these classes. ESSM 203 could also be added as plant course.
Dawn Kerstetter (dkerstetter) (03/02/17 3:48 pm): Rollback: See Dr. Knight's comment
Angel Mario Carrizales (carri1214) (04/06/17 9:44 am): Edits made to conform to catalog style guidelines.
Angel Mario Carrizales (carri1214) (04/06/17 10:44 am): Rollback: Distance Education Forms required if a program in which a student may complete more than one-half of the semester credit hours required for the program through any combination of electronic and off-campus delivery methods. Forms can be found at the following location: <https://www.tamus.edu/academic/approval-process/distance-education/>
Angel Mario Carrizales (carri1214) (07/19/18 2:11 pm): The initiator has selected 50% for "% of Program a student can take off-campus or through Distance Education." therefore Distance Education forms are not required. Percentage chosen for the mode of delivery question is below the reporting threshold. Note, this program will not be considered a distance program.
Sandra Williams (sandra-williams) (10/08/18 11:19 am): UCC approved October 2018.
