Reviewer Comments

Angel Mario Carrizales (carri1214) (08/14/18 12:25 pm): Rollback: An edited degree evaluation that matches the proposed catalog edits is not attached.

Angel Mario Carrizales (carri1214) (08/21/18 9:11 am): Rollback: ACCT 209 is not listed in the degree evaluation but it is listed in the Catalog Program Requirements. Is ACCT 209 a course that can be used towards degree requirements?

Angel Mario Carrizales (carri1214) (08/22/18 5:16 pm): Correction: ACCT 229 is not listed in the degree evaluation. The initiator has removed the course from the course-list table, therefore my initial concerns have been addressed.

Angel Mario Carrizales (carri1214) (08/22/18 6:15 pm): Rollback: Additional discrepancies have been identified. Please address the following and resubmit. 1) The Degree evaluation is set up to allow any Mathematics core course; however the catalog specifies MATH 142 and PHIL 240. Are MATH 142 and PHIL 240 the only courses that can be used to meet the mathematics requirement? 2) Footnote 2 wording is confusing. When I read it, I was lead to believe that a student could only select from ICD and CD courses to meet the American History requirement, which is not the case since the footnote is attached to other requirements. Please update the footnote 2 to clarify the ICD/CD graduation requirements.

Angel Mario Carrizales (carri1214) (09/04/18 11:18 am): Concerns addressed

Angel Mario Carrizales (carri1214) (10/01/18 10:33 am): The Department of Animal Science has submitted a course proposal that affects this program. Per the department, DASC 326 is being inactivated effective 201931 and is being replaced by ANSC 326.

Sandra Williams (sandra-williams) (10/05/18 4:09 pm): Updates made to form to remove DASC 326 and replace with ANSC 326.

Sandra Williams (sandra-williams) (10/08/18 11:33 am): UCC approved October 2018.
