Catalog Program Title
Health - Minor

Rationale for Proposal

The health minor is designed for students who want to develop knowledge in health-related topics and engage in courses which complement or enhance the myriad of degree programs available at Texas A&M University. The majority of the courses for this minor are available on-line. Two courses in the health minor meet the International and Cultural Diversity requirements for core curriculum.

Program hours 18

Is this program eligible for financial aid?

Has program funding been finalized at the department or college level? Yes

Will new costs for the first five years of the program be under \$2 million? No
