Reviewer Comments

Angel Mario Carrizales (carri1214) (11/06/18 5:32 pm): Edits made to conform to catalog style guidelines, and text was added by Curricular Services to clarify the total number of hours required for each degree in the combination program.

Angel Mario Carrizales (carri1214) (11/06/18 5:51 pm): Rollback: Please address the following. 1) Other ECON program proposals list MATH 147 and MATH 148. However, this proposal does not. Can these courses be used towards this combination program? 2) Is footnote 6 applicable for the Social and Behavioral Sciences requirement? On the degree evaluation, the restriction is crossed out.

Angel Mario Carrizales (carri1214) (11/14/18 12:42 pm): Initial concerns addressed.

Sandra Williams (sandra-williams) (12/10/18 4:38 pm): UCC approved December 2018.
