Rationale for Proposal

Modify degree evaluation to conform to ICD and CD requirements. MKTG321—Marketing is, as a CBK (Core Business Knowledge) course, required of all business undergraduates, and has been designated a C (communications-intensive) course. MKTG321 and its faculty offer equal (if not greater) value, expertise, and efficiency as an already well-established means of equipping our undergraduates with communications skills. Consequently, we request inclusion of MKTG321 as a C course in the BBA-FINC curriculum.
