[Management - BBA, Nonprofit Management Track](#)

Explain how affected parties (students, faculty, staff) will be informed of the impending closure.

MGMT faculty voted to approve inactivation of the track. Students have been and will continue to be notified on a semesterly basis via our official department majors listserv and in individual student advising meetings.

Explain how students will be helped to complete their programs of study with minimal disruption or additional expense.

All students in the 2019 and prior catalogs will have opportunity to complete the BBA-MGMT-Nonprofit Management track as desired. We will reduce the frequency that the required MGMT 432 course is offered and make a reasonable substitute available to all track students who are unable to take the course when offered.

Explain how faculty and staff will be redeployed or helped to find new employment.

The faculty member teaching MGMT 432 will be shifted to other courses where demand is greater.

How many students are currently enrolled in the program? **28**

Projected graduation date for the last student(s) in the program? **05/2024**
